AND FERTILISERS (SHRI EDUARDO FALEIRO): (a) Two cases of ammonia leakage in industrial units under the Factories Act have been reported. The first leak took place on the 3rd August, 1990 in the premises of Nav Bharat Refrigeration and Industries Ltd. in Delhi. The second one took place on the 26th August, 1992 at the plant of National Fertilizers Ltd. in Panipat.

(b) Yes, Sir.

(c) and (d) The provisions of the Factories Act are administered and enforced by the respective State Governments. However a number of suggested measures by the Enquiry Committee have been implemented by the company at Panipat and in other case of Delhi the management of the factory has been prosecuted under the provisions of the Factories Act.

Rehabilitations Plans for the Bhopal Gas victims

1973. SHRI KRISHNA KUMAR BIRLA: Will the PRIME MINISTER be pleased to state:

(a) whether it is a fact that certain rehabilitation plans for the Bhopal gas victims have either been given up or closed down;

(b) if so, the details thereof alongwith the reasons therefor; and

(c) what are the alternative rehabilitation plans taken up/proposed to be taken up by Government to rehabilitate the Bhopal gas victims?

THE MINISTER OF STATE IN THE MINISTRY OF CHEMICALS AND FERTILISERS (SHRI EDUARDO FALEIRO): (a) No part of the rehabilitation scheme has been discontinued prematurely.

(b) and (c) Does not arise.

Production of Liquor out of Molases Molasses

1974. SHRI BHUPINDER SINGH MANN: Will the PRIME MINISTER be pleased to state:

(a) the controlled rate per tonne of molasses paid to sugar factories and what approximate quantity of liquor/wine is produced out of one tonne of molasses;

(b) the amount of revenue earned by Government through excise duty on liquor/wine produced from one tonne of molasses; and

(c) what is the total revenue earned ed by Government through excise on liquor/wine in the current year?

THE MINISTER OF STATE IN THE MINISTRY OF CHEMICALS AND FERTILISERS (SHRI EDUARDO FALEIRO): (a) As per the Molasses Control Order 1961, as amended from time to time, the present price of Grade-I Molasses is Rs. 144 per tonne. The Bureau of Industrial Cost and Prices have , in their latest report on Industrial Alcohol, adopted the consumption norm of 4.476 MT of actual grade molasses used per KL of alcohol at 100 per cent V.

(b) and (c) Under Entry 51 of List II of Seventh Schedule of the Constitution of India, duties of excise on alcoholic liquors are levied and collected by the State Governments and not by the Central Government.
